## PRESIDENT'S MESSAGE

Welcome to the Playhouse Theatre and 'Aladdin', the Society's 43rd Annual pantomime. 'Aladdin' or 'Aladdin and his Wonderful Lamp' as it was originally known, is a fairy tale straight from that magical book 'The Arabian Nights'. Our version follows the original story set in old China. Aladdin, a poor and idle young man, is found by Abanazar – a particularly bad and greedy magician – who lures Aladdin into an enterprise to find lots of gold. He then traps our hero in the cave. Aladdin finds an old lamp, surprises, and a lot of mischief.

It so happens that 'Aladdin' was the very first pantomime that the Society presented.

This year's 'Aladdin' will be the last show in the present Theatre before the Playhouse closes for refurbishment. Next year's show is under discussion and it is hoped to find an alternative venue to present our Panto. So sit back and enjoy this year's production of 'Aladdin'.

JIM GRAHAM, President

## The National Operatic and Dramatic Association

N.O.D.A. serving amateur theatre since 1899

"What is N.O.D.A.?"

The Association was founded in 1899 "to protect and advance the interests of operatic and dramatic art and of societies engaged therein. Today N.O.D.A. has a membership of some 2,300 amateur societies and 3,000 individual enthusiasts throughout the United Kingdom, staging musicals, operas, plays, comedies and pantomimes in a wide variety of performing venues, ranging from the country's leading professional theatres to tiny village halls.

Whatever the age of the participant, whatever the onstage or offstage talent they have to offer, they are involved in Amateur Theatre for the love of it. Those appearing will have given many hours to prepare and rehearse their contribution. The stage crew are vital to bringing the creative process alive on stage whilst the committee members and front of house staff all contribute so much in the challenge of staging a production. Each production created becomes a true community project.

N.O.D.A. has been involved in a Summer School since 1949 the aim being to offer training in as many aspects of the Amateur Theatre Arts as possible over the years; the week long residential school is held each August. With a National Conference, Annual Area Conference, Workshops, Seminars, the publication of a quarterly National News and the Magazines, the National Operatic and Dramatic Association provides a National Network of Services for all areas of Amateur Theatre in the United Kingdom.

For further details please contact N.O.D.A., NODA House, 58-60 Lincoln Road, Peterborough PE1 2PZ. [www.noda.org.uk](http://www.noda.org.uk)

Whitley Bay Pantomime Society is proud to have been a long standing member of N.O.D.A. and greatly value the support and advice received. Welcome to all our Friends in N.O.D.A. who are attending performances of "Aladdin" this week.

## An open house is an open invitation

An open door or window can  
be an open invitation to  
sneak-in, opportunist thieves.

Don't make it easy for them – follow this  
simple security advice to help keep your  
property safe:

- ensure your windows and doors are securely locked at all times especially while at home
- avoid leaving valuables where they can be seen through windows
- avoid leaving valuables within easy reach of doors and windows
- if you're upstairs, make sure downstairs is secure
- fit an alarm which indicates when outside doors are opening
- avoid leaving keys in doors
