WHITLEY BAY PANTOMIME SOCIETY

The National Operatic and Dramatic Association N.O.D.A. serving amateur theatre since 1899 "What is N.O.D.A.?"

The Association was founded in 1899 "to protect and advance the interests of operatic and dramatic art and of societies engaged therein". Today N.O.D.A. has a membership of some 2,300 amateur societies and 3,000 individual enthusiasts throughout the United Kingdom, staging musicals, operas, plays, concerts and pantomimes in a wide variety of performing venues, ranging from the country's leading professional theatres to tiny village halls.

Whatever the age of the participant, whatever the onstage or offstage talent they have to offer, they are involved in Amateur Theatre for the love of it. Those appearing will have given many hours to prepare and rehearse their contribution. The stage crew are vital to bringing the creative process alive on stage whilst the committee members and front of house staff all contribute so much in the challenge of staging a production. Each production created becomes a true community project.

N.O.D.A. has been involved in a Summer School since 1949 the aim being to offer training in as many aspects of the Amateur Theatre Arts as possible over the years; the week long residential school is held each August. With a National Conference, Annual Area Conference, Workshops, Seminars, the publication of a quarterly National News and the Magazines, the National Operatic and Dramatic Association provides a national network of services for all areas of Amateur Theatre in the United Kingdom.

For further details please contact N.O.D.A., NODA House, 58-60 Lincoln Road, Peterborough PE1 2RZ. www.noda.org.uk

Whitley Bay Pantomime Society is proud to have been a long standing member of N.O.D.A. and greatly value the support and advice received. Welcome to all our Friends in N.O.D.A. who are attending performances of "Sleeping Beauty" this week, especially our Regional Councillor, Fred Piggford.

PRESIDENT'S MESSAGE

I would like to welcome you to the re-vamped Playhouse, Whitley Bay after two years "playing away from home". The Society was at the People's Theatre in Heaton for two shows. Now that we are back in our own home we present our production of 'Sleeping Beauty', led by our production team of Rowland Maughan and Joan Walton.

President
Jim Graham

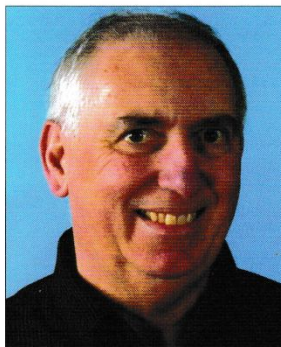

'Sleeping Beauty' is one of the more popular pantomimes and, like all good pantomimes, is based on an old fairy tale. The origins of the story are based in a book published in 1697 called 'La Belle au Bois dormant' – translated as the beautiful lady asleep in the woods.

Thanks to every-one who has worked so hard behind the scenes and to you our loyal audience.

Now sit back and enjoy the Show.

OBITUARY

Members were saddened by the death of Miss Lucy Averill, a Life Member of the Society, in June 2009 at the age of 92. Lucy and her older sister Eppie, who survives her, were keen supporters of the Society from its beginning in the 1960's up to the middle 90's. Together they assisted in many ways and were always found front of house during the week of the Pantomime, usually located in the Box Office in the early years, but capable of multi tasking in many areas including wardrobe and wigs. Lucy is remembered with affection for her friendship and encouragement to everyone, particularly by those taking their first steps on stage in the Pantomime. One sister was seldom seen without the other and our condolences go to Eppie and the family on their loss.

Set in the early 1960's. Sixteen year old Jenny lives with her parents in the London suburb of Twickenham. On her father's wishes, everything that Jenny does is in the sole pursuit of being accepted into Oxford. The only problems he may perceive in her life are her issue with learning Latin and her dating a boy named Graham. Jenny's life changes after she meets David Goldman, a man over twice her age. Jenny has to decide if what she learns about him and his life is worth forgoing her plans of higher education at Oxford.

A WITCHES BREW

12th century (anon)
 Take ye one large cauldron
 Fill with water from ye well
 Therein place
 1 fresh cowpat
 2 ripe herrings
 Tails and livers from 2 fine rats
 6 crunchy cockroaches
 Legs of 4 yellow toads
 Thereto add copious salt, beans and marjoram
 Thereafter hang ye cauldron over a goodly fire
 and stir, whilst chanting ye spell
 "Bubble bubble, boil and bubble
 This brew will blow away thy trouble".

Drink brew with black bread and dripping of the droppings of ye roasting Ox.

CARRABOSSE'S CURSE

"It is good to make misfortune,
 And to catch a vengeance complete,
 could not be better.
 This old witch HA!
 They'll wish they'd never met her".

Could you make up a curse?
 The best ones always seem to begin something like this...
 'Eye of bat and skin of toad'
 (but remember, it's only pretend!!!)

What will you put in the cauldron?

Fuel prices hitting you hard?

Are you throwing away up to £250 every year?

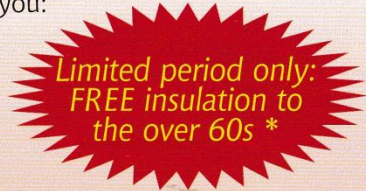

Make sure your home is fully insulated

Beat the fuel price increases & do your bit for the environment!

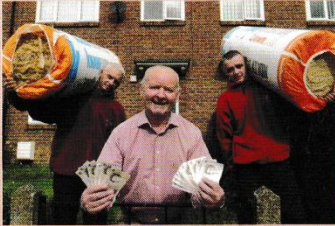

By making sure your home is fully insulated you can **save up to £250+** each year off your fuel bills. By saving energy in your home, you also reduce harmful CO₂ emissions.

You qualify for **FREE cavity wall and loft insulation** if you:

- * Are over 60 years old; or
- * Are on certain benefits; or
- * Live in a Council-owned home; or
- * You have a dependent child under 6 in your household; or
- * Are spending a high proportion of your income to keep warm.

Otherwise get your insulation **from only £99** – it could pay back in under a year and **save you thousands of pounds** over its lifetime!

North Tyneside Warm Zone is a not for profit partnership and is the **ONLY** such scheme backed by both the **Government** and your **Local Authority**.
