PRESIDENT'S MESSAGE

We welcome you to our 1968 Pantomime – *The Sleeping Beauty* – which I do not think has been performed in Whitley Bay before.

This is not an easy panto to produce, but our Producer Geoff Watson has done a grand job, though faced with many difficulties.

We welcome our new Musical Director Stuart J. Chenylle-Proctor LRAM, ARCM, and the choreography is, as usual, in the capable hands of Miss Olive Harper.

We have a strong cast of Principals, and I think you will be pleased with their performance. Our aim is to provide a pantomime with excellent singing and dancing, coupled with good clean fun, and we do hope you have enjoyed our efforts.

J. B. CAIRNCROSS

President.

A BIG THANK YOU TO . . .

Welch's for sweets, Watson Brothers, 'Evening Chronicle', Whitley Bay 'Guardian', Priory Theatre Management and Staff, Mr. Harry Higgins, Resident Stage Manager, Make-up, Programme and Refreshment Helpers, all our Advertisers, and all the many people working so willingly out of the spotlights, behind the scenes, who contribute so much to the success of the show.

Thank you for your continued support and with every good wish to you all for 1968.

With the Compliments of

Stephens Manufacturers Ltd.
